## **PRESS RELEASE**

### **Inducing Panic in Coventry Township**

On February 21, 2018, the Summit County Sheriff's Office Detective Bureau was contacted by the Coventry School District in regards to an individual that was posting false information on several social media websites. The individual was identified as Erin Croghan, age 37 of Coventry Township. Croghan posted information about a gun that was supposedly located in a locker at Coventry Middle School in November of 2017. She disseminated the information even though she knew it was not true. The school subsequently received numerous calls from concerned parents. Croghan was charged with Inducing Panic (M-1).
