

SUMMIT COUNTY SHERIFF'S OFFICE

7/28/2017

PRESS RELEASE

Internet Purchase Safety Zone

Due to the ongoing safety concerns of meetings between buyers and sellers of merchandise on the internet, the Summit County Sheriff's Office has opened a new Internet Purchase Safety Zone at the Summit County Jail – 205 East Crosier Street in Akron. The zone is located in the visitor's parking lot. A large sign clearly marks the designated area where two vehicles can park and make a transaction. This area, along with the entire parking lot is under constant video surveillance. We are suggesting that transactions be made between the hours of 8am and 8pm. Should any of the parties involved in a transaction have an issue, they can contact a deputy sheriff with the telephone number listed on the sign.
