

Air Medical Communications

NPSPAC Channels

When contacting MedFlight, Metro LifeFlight, or Akron Children's Air Bear please use the following channel plan:

Primary

8TAC92D

Secondary

8TAC94D

Effective September 1, 2012 MedFlight and Metro LifeFlight will combine their dispatch centers and operate their communications center out of Columbus, Ohio.

If you currently have the State Fire Marshal zone programmed in your radio please do not use any of the LifeFlight talkgroups. The TG's found in that zone are for Toledo LifeFlight only, not for Metro LifeFlight in Cleveland.
