Visual Non-Serious Hazard Electrical Service Inspection

Request FEE: \$60.00 (Payable to "County of Summit")

Property Address: _____

Apartment / Suite Number: _____

Commercial / Residential
(Circle One)

Village / City: _____

Zip Code: _____

I request that Summit County Building Standards Department perform a visual non-serious hazard electrical service inspection on the above listed property, in order to restore the permanent electrical service. I understand this request shall require an interior inspection of the electrical service panel and associated components. This visual inspection is limited in nature, and only intended to verify the existing installation is intact and safe to energize.

Furthermore, if any repairs are needed I agree to contract with a properly registered Electrical Contractor in Summit County to perform the necessary corrections.
