Note: Rental units are income qualified based on the tenant(s) income.

How the Program Works After the Application is Approved *time line may vary for each application

- A SCPH Lead Risk Assessor will contact you to schedule a time to do a lead risk assessment. A report will be mailed with a list of the lead hazards to you the tenant and the owner(s).
- A pre-bid meeting is scheduled at the house to allow contractors to see the work that needs to be done.
- The Contractor with the lowest most responsive bid is awarded the job and the County of Summit will hold the contract with the winning contractor.
- Relocation is required while the lead work is being completed at the home, and it is encouraged that the tenant(s) stay with friends and/or family. If this is not an option, SCPH will select and pay for a hotel for relocation. The tenant **MUST** provide a debit/credit card at check in for any incidentals. Only the individuals listed on the application as living in the home are eligible for relocation. Failure to follow hotel policies may result in a loss of your reservation. SCPH will not make additional arrangements and the owner and/or tenant are not permitted to return to the home until the lead work is completed and a clearance inspection has been conducted. SCPH must be made aware of any animals that will be going to the hotel prior to reservations being made. Boarding of animals is not covered by the program. Animals may **NOT** be left either inside or outside at the home. If any animals are left, Animal Control will be contacted to remove the animals and the owner will be responsible for any fees to get the animal(s) back.
- SCPH staff will call the owner and tenant to give the date that the contractor will begin lead work. A time will be scheduled to plan for relocation to a friend or family home or to a hotel with a kitchenette, of SCPH choosing, paid by the Program. No food will be purchased using the program. Only individuals listed on the application as living in the home will be permitted to use the hotel pool, additional guests are not permitted to use hotel amenities.
- The tenant(s) and/or owners will clear areas where work is being done and take down window covers.
- Once lead work begins, no one can enter the residence until it is tested and found lead safe. SCPH staff will call the tenants and advise when they are able to return.
- Additional protocols will be included in the access agreement.

All occupants of the home must follow these guidelines. Failure to comply may result in termination of participation in the Lead Paint Hazard Reduction Grant Program. Please call 330-926-5600 or 330-643-8013 if you have questions or concerns.
