Ray Kapper

Ray Kapper dedicated his life to serving the community and put the greatest goals above his own aspirations.

Most notable were his efforts to revitalize First Tee - Greater Akron. Ray believed deeply in the organization's commitment to the youth of Akron and his removal of holding chances and refilling values through the game of golf.

"Memorials are to the community what memory is to the individual. Veteran's memorials awaken the senses, connect us to our history, ground us in our present, and inspire us."
