PROJECT NOTES:

- All scheduled work is weather dependent and subject to change.
- Please obey warning signs and construction fencing restrictions that will be posted. The construction work zone is restricted to construction personnel only.
- *Potholing - A method used to determine utility location.
- *Boring - This technique uses specialized drilling equipment to create underground pathways— pull utility lines through these holes.

WORK COMING SOON:

- City of Twinsburg - December
- Twinsburg Township - December
- City of Reminderville - December
