- Contact the National Center for Missing and Exploited Children (NCMEC) if the child is in SCCS custody.

Upon request of law enforcement, **SCCS** shall provide assistance and cooperation in the investigation of a missing child, including the immediate provision of any information possessed by **SCCS** that may be relevant in the investigation.

Law enforcement shall notify **SCCS** upon learning that a minor child who is alleged to be in the children services system or who is known or suspected to be abused or neglected has either run away from or is otherwise missing from the home or the care, custody, and control of the child's parents, custodial parent, legal guardian, or non-custodial parent.

### I. Standards and procedures for removing and placing children

### 1. Emergency

Emergency removal of a child from home is necessary when the child is at imminent risk of harm and in need of protection from abuse, neglect, or dependency.

An ex parte order may be issued with or without a complaint being filed. Prior to taking the child into custody the judicial fact finder must make a determination that reasonable efforts were made to notify the child's parents, guardian, or custodian, or there were reasonable grounds to believe doing so would jeopardize the safety of the child, or lead to the removal of the child from the jurisdiction.

Juv. R 6 orders can be issued in-person, by phone, video conference, or otherwise. Reasonable grounds must exist to believe the child's removal is necessary to prevent immediate or threatened physical or emotional harm.

Findings must be made that the agency either did or did not make reasonable efforts to prevent the removal of the child from their home with a brief description of services provided and why those did not prevent the removal or allow the child to return home, and if temporary custody is granted to the PCSA an additional finding that it would be contrary to the welfare and best interest of the child to continue in the home. If granted, a shelter care hearing must be scheduled the next business day (but not later than seventy-two hours) after the emergency order has been issued. If the ex parte motion is denied, the matter must be set for a shelter care hearing within ten days from the filing date.

SCCS is committed to preventing the removal of any child from their home and makes reasonable efforts to prevent such a removal. When possible, SCCS provides supportive services in order to prevent removal of a child from their home and to allow that child to remain safely in their own home. If a child cannot safely remain in his or her home, SCCS seeks the least restrictive placement alternative that provides for the greatest continuity in the child's life.

When emergency removal of a child from home is necessary, SCCS shall consider emergency removal procedures in the following order:

I. Filing a complaint in the Summit County Juvenile Court alleging the child to be an abused, neglected, dependent, or deserted child and petitioning the Court for an ex-parte emergency order to remove the child due to the urgent nature of the child's removal.

- a. If the Juvenile Court has been petitioned, SCCS is not required to duplicate any written notices that have previously been provided by a Court officer or Court employee.
- II. Requesting the assistance of a law enforcement officer to execute an emergency removal of a child from their home pursuant to Juvenile Rule 6 (JR6).
- a. SCCS shall request assistance from the appropriate law enforcement agency to remove a child when any of the following conditions exist:
- i. SCCS is unable, due to the immediacy of the situation, to obtain a court order authorizing the emergency removal of the child.
- ii. SCCS is denied entry into the home or access to the child.
- iii. The parent, guardian, custodian or child offers physical resistance to the emergency removal.
- iv. The safety of the child or SCCS employee is jeopardized.
- b. If law enforcement has removed a child from his or her home pursuant to Juvenile Rule 6, SCCS must petition the Court for an order authorizing the continued removal of the child within twenty-four hours of the JR6 or the next business day, unless SCCS deems it appropriate to allow the child to return to the custody of the party from whom the child was removed.

When SCCS explores relative placements but determines them to be unavailable or unsuitable, SCCS shall ensure that the temporary emergency care for the child is in the least-restrictive, most family like setting available to meet the needs of the child in accordance with the Ohio Revised Code.

### 2. Non-emergency

Upon receiving a report alleging child abuse, neglect, and/or dependency, **SCCS** commences an investigation in accordance with the requirements of section 2151.421 of the ORC. If the final case decision rises to the level of court involvement, **SCCS** shall approach the juvenile court and file a complaint alleging the child(ren) to be abused, neglected, or dependent per ORC 2151.27. The matter will be set for a shelter care/preliminary protective hearing expeditiously by the juvenile court.

Reasonable oral or written notice of the time, place, and purpose of the hearing must be provided to the parents, guardian, or custodian unless they cannot be found. The same parties are also entitled to notification that a case plan may be prepared, the general requirements, and possible consequences of non-compliance with the case plan.

The parties will be served with the complaint and summons to appear before the juvenile court. Unrepresented parties are advised by the juvenile court of their right to counsel. Counsel is appointed for children when abuse is alleged. A guardian ad litem is appointed to all children subjects of abuse, neglect, or dependency proceedings. A separate guardian ad litem may be appointed to minor parents or parents who appear mentally incompetent.

The judicial fact finder must determine whether there is probable cause that the child is abused, neglected, or dependent, the child is in need of protection, whether or not there is an appropriate relative or kin willing to assume temporary custody of the child, reasonable efforts were made by **SCCS** to prevent the removal or continued removal or to make it possible for the child to return home safely, and for temporary custody orders to **SCCS** that it would be contrary to the welfare and best interest of the child to continue in the home. All other temporary orders should be requested and considered at this time.

### 3. Group homes, crisis care facilities, and residential facilities for children

SCCS accepts communication from hospitals, ERs, law enforcement and first responders on a 24 hour basis. SCCS has a 24 hour emergency on-call procedure to respond to contact from hospitals, ERs, law enforcement and first responders regarding youth in agency custody. SCCS will accept notification from law enforcement where a police report is made concerning a child in SCCS custody that is placed in a residential facility. SCCS will notify a residential facility of any charges for which youth placed in such facility and in SCCS custody was adjudicated delinquent, prior to placement or within 96 hours after placement.

For children placed in group homes, crisis care facilities and residential facilities, SCCS will conduct in-person monthly visits to determine the child's well-being. SCCS will review the a child's placement if the youth presented to the ER, was admitted to the hospital for an injury or mental health crisis, if a police report was generated regarding the child, or if a concern was identified in the monthly visit. The operator of the facility will be notified of the results of the SCCS' review. For youth placed out of Summit County, SCCS will convey educational information verbally to the foster care liaison in the child's new school district upon enrollment, then submit a form with such information to the school district's foster care liaison within 5 days after enrollment.

### J. [Optional Section(s)]

Not Applicable (if selected this section is not relevant.)

Maintaining Operations, including but not limited to, receiving and investigating child abuse and/or neglect reports in the event of a disaster - SCCS and the Stark County Department of Job and Family Services have a mutual agreement to ensure the maintaining of operations in the event of disaster as needed.

#### **Deserted Child**

"Deserted child" is a child whose parent has voluntarily delivered the child to an emergency medical service worker, peace officer, or hospital employee without expressing intent to return for the child and who, pursuant to sections 2151.3515 to 2151.3533 of the O.R.C., is fewer than thirty-one (31) days old.

SCCS follows section 5180:2-36-06 of the O.A.C. and its "Deserted Child/Safe Haven Requirement for Investigation/Assessment" Policy/Procedure for responding to such reports.

### IV. TRAINING

Cross system training is to be provided to and a plan developed by all signatories of this MOU to ensure parties understand the mission and goals identified in this MOU and are clear about the roles and responsibilities of each agency. Periodic trainings events will be coordinated by **SCCS** as the lead agency and notification of the trainings will be provided to the signatories of this agreement. By agreeing to participate in the county MOU process signatories express a commitment to attend training opportunities when presented.

### V. CONFLICT RESOLUTION

Not Applicable (if selected this section is not relevant.)

When a conflict occurs among county partners, the effect is often broader than the individuals directly involved in the dispute. As disputes are often inevitable, this MOU must set forth the local process by which disputes will be resolved so as not to disrupt program effectiveness.

As the mandated agency responsible for the provisions of child protective services, the ultimate decision on how to handle abuse, neglect investigations lie with **SCCS**. Every effort will be made to take into account other subscribers' requests and concerns relating to services.

Criminal investigations and prosecution remain the responsibility of the prosecuting attorney and appropriate law enforcement agencies. **SCCS** will assist these agencies, but in no way, interfere or jeopardize a criminal investigation or prosecution.

For cases that come before the court as it relates to decisions and orders, the Juvenile Judge's rulings are final.

In the event internal conflict resolution efforts fail and a statutorily required participant refuses to sign or engage in the MOU process, the PCSA is to consult with the County Prosecutor to explore available remedies.

### VI. CONFIDENTIALITY STATEMENT

Any report made in accordance with ORC section 2151.421 is confidential. Both the information and the name of the person who made the report under section 2151.421 shall not be released to the public for use and shall not be used as evidence in any civil action or proceeding brought against the person who made the report.

Children services records are not public records and are exempt from Ohio's Sunshine Laws under ORC 149.43. Children Services records are confidential in nature and should be treated accordingly.

ORC section 2151.423 requires **SCCS** to disclose confidential information discovered during an investigation conducted pursuant to section 2151.421 or 2151.422 of the Ohio Revised Code to any federal, state, or local government entity that needs the information to carry out its responsibilities to protect children from abuse or neglect. Likewise, law enforcement, **Summit County CAC**, and other entities are expected to release information to **SCCS** for the purpose of carrying out its responsibility of protecting children from abuse and/or neglect.

With regard to receiving a request for disclosure to the public regarding information about a case of child abuse or neglect, such disclosure is prohibited by SCCS where there would be harm to the child or family, it would jeopardize a criminal investigation or proceeding, or it would interfere with the protection of those who report child abuse or neglect. Law enforcement will give consideration to these factors in deciding any disclosures to the public relative to cases of child abuse or neglect. Any disclosures to the public will adhere to OAC section 5180:2-33-21, and SCCS will disclose information to the public only as authorized by its Executive Director or designee. The confidentiality provisions of this MOU will survive the expiration or termination of this agreement.

Information regarding the report and/or investigation of alleged abuse or neglect may be shared only when dissemination is authorized by OAC section 5180:2-33-21 and in accordance with the procedures outlined in OAC section 5180:2-33-21. The unauthorized dissemination of confidential information is a misdemeanor and is punishable by law.

In the event of unauthorized dissemination of information, the party who learns of the breach of confidentiality will notify the Director of **SCCS** as soon as possible. The notification will be sent to the Director in writing describing the circumstances surrounding the breach. The notification will specify the confidential information released, who is responsible for disseminating the confidential information, how it was disseminated, and the parties who have access to the information without authorization. The Director of **SCCS** shall then refer this information to the prosecutor at their discretion.

In the event of a failure of a mandated reported to file a report of suspected abuse or neglect of a child, the party who learns of the failure will notify the Director of SCCS as soon as possible. The notification will be sent to the Director in writing

describing the circumstances surrounding the failure. The notification will specify the failure and who is responsible. The Director of SCCS shall then refer this information to the prosecutor at their discretion.

### VII. TERMS AND CONDITIONS AND STATUTORY REQUIREMENTS

This MOU must be retained for a period of at least seven years per the state of Ohio records retention schedule. Please refer to **SCCS** records retention policy for information on forms to be completed and processes to be followed for the destruction of records.

Consultation among the signatories will be done in person, whenever practicable. When an in-person meeting is not possible the signer may employ the use of alternative methods of communication including but not limited to MS Teams, Skype, Zoom, or telephone as agreed upon by all members. When **SCCS** is seeking consultation with a signer of this memorandum regarding an active referral of child abuse and/or neglect and has met in person or spoken with another signer, **SCCS** will make written contact with the appropriate agency by the next working day to request the needed information and make the referral in writing.

The required members shall review and evaluate the terms and conditions of the MOU every biennium. All required members to the MOU will sign the new or updated agreement.

This MOU does not inhibit good faith compliance with a subpoena issued by a Grand Jury or in a criminal case. Dissemination of records pursuant to the State's discovery obligations is authorized. However, work product and other privileges are expected to be upheld.

Failure to follow the procedure set forth in the MOU by the concerned officials is not grounds for, and shall not result in, the dismissal of any charges or complaint arising from any reported case of abuse or neglect or the suppression of any evidence obtained as a result of reported child abuse or child neglect and does not give, and shall not be construed as giving, any rights or any grounds for appeal or post-conviction relief to any person.

This MOU shall be governed by and construed in accordance with applicable state and federal laws and regulation. In the event any portion of this MOU is inconsistent with state or federal law, that portion shall be without effect as if stricken from the document and the remaining portion shall remain in full force and effect.

### VIII. SIGNATURES OF EACH PARTICIPATING AGENCY

The signature section authorizes the participating parties of the agreement to begin enactment of MOU protocols and activities. The participating members agree to follow the terms of this MOU and to meet at minimum once every biennium to review terms and conditions, evaluate if updates are needed, and sign a new or amended MOU.

If any individual serving as a signatory changes mid-term, **SCCS** is to provide the new required member with the current memorandum. The new member remains bound by the most recently approved version of the memorandum. Their signature is to be obtained and submitted on or before the next biennial review.

A required member to this agreement may terminate their involvement in the MOU for good cause upon giving reasonable written notice to the other required members in this MOU.
