

SNAP Changes in 2026

H.R. 1, the One Big Beautiful Bill (OB BB), passed in July 2025 made many significant changes to the Supplemental Nutrition Assistance Program (SNAP).

To help Summit County residents better understand what this means, we are breaking down parts of the new law. This is only a small portion of the changes made to the program, and does not account for any changes in Medicaid. We will provide more guidance as it becomes available.

Many more SNAP participants are now required to work 20 hrs/week to continue receiving food assistance.

Employment resources are available to all Summit County residents.
