Contractor Performing Directional Drilling

Linking public safety across Summit County!

Project Update - September 4, 2026

- A Henkels & McCoy crew will also be moving throughout the **City of Norton, Village of Peninsula, Boston Township,** and **City of Stow** working on installing fiber at municipal buildings to be one step closer to final connections.

UNDERGROUND WORK IN THESE COMMUNITIES IS COMPLETE – THE CONTRACTOR WILL BE RETURNING FOR FIBER INSTALLATION SOON !

- Twinsburg Township
- City of Norton
- Village of Boston Heights
- City of Akron
- City of New Franklin

PROJECT NOTES:

- All scheduled work is weather dependent and subject to change.
- Please obey warning signs and construction fencing restrictions that will be posted. The construction work zone is restricted to construction personnel only.
- *Conduit - Orange 2in plastic tubing that will house and protect high-speed fiber cable.
- *Splicing - The point where two fiber optic cables are joined together, allowing the network to function as one continuous connection
