The applicant(s) acknowledge that by qualifying for and receiving housing rehabilitation through this program, the assistance will be provided through a Five (5) year forgivable loan; and that the County of Summit will need to be added to the applicant's homeowner's insurance as an additional insured.

There will be no interest and no payments required of the applicant(s) as part of this loan. The loan will forgive itself automatically over the period of Five (5) years in equal portions on the anniversary date the mortgage was executed. Process after Approval of Application

After approval of your application, you will be placed on the waiting list. Applicants are served in order of when applications were approved not submitted. The program is not an emergency program. Applications are approved for 6 months. If services are not provided within 6 months an updated application is required.

An initial inspection of the home and property will be scheduled. Representatives from the County will visit the home for the initial inspection. Access to the entire home and property must be made available to staff. All animals must be caged during the visit.

The program is designed to be a minor home repair program to address health and safety concerns. Major structural issues or water infiltration issues are not part of the program.

After the initial visit a work scope will be prepared, and a determination will be made if the house is eligible for the program based on the cost of the estimate and what is needed in the home.

Approved work scopes will be publicly bid by the County. A pre-bid meeting will be held at the home with County representatives and interested contractors. Access to the entire unit and the property will need to be granted. All animals must be caged. Any social distancing and/or pandemic protocols must be followed.

Bids are electronically submitted to the County. The lowest most responsive bidder will be selected.

The County will enter a contract with the contractor after the owner has executed their mortgage documents and Access Agreement.

The County will issue payment to the contractor upon completion of the work.

The homeowner will be transferred all original warranties upon completion of work.
