June 2 Updates to Summit County Continuity of Services

SUMMIT COUNTY, OHIO—On May 20, 2020, the Ohio Department of Health Director issued an urgent health advisory, Ohioans Protecting Ohioans, and modified the existing Stay At Home order, changing it to the Stay Safe Ohio order. The advisory and modified order removed many of the restrictions on individuals and businesses.

Most county offices and agencies previously altered their operations in an effort to keep employees and residents safe. In response to the new advisory and order, many offices and agencies will again alter their operations. The following offices and agencies have offered guidance as to how the public can access county services. Guidance is subject to change. Information for some city, village and township offices has also been included.

2020 Census: Summit County residents have begun receiving invitations to complete the 2020 Census. They are encouraged to complete it at www.my2020census.gov. Residents can also complete the census by calling 844-330-2020 or by mailing the questionnaire. Providers must also complete JFS 01259 to document how the child's parent meets the requirement of providing health and safety services as defined by ODJFS. This form is available at http://www.odjfs.state.oh.us/forms/num/JFS01259.
