

County Executive Ilene Shapiro and the Department of Finance and Budget, Division of Purchasing have implemented an online tool for the web-based selling of surplus inventory. Access to the web-based platform, Public Surplus, is free and buyers may view available auctions by selecting "Ohio" under the region tab and "Summit County Executive" under the agency tab. All sales are through Public Group by credit card or wire transfer. There is no shipping or delivery of any items. Arrangements must be made for pickup pursuant to the Public Surplus Disclaimer and Terms and Conditions. Auction items may also be donated to other Political Subdivisions or registered Nonprofit Organizations prior to the auction becoming public.

Please visit www.publicsurplus.com to view auctions and purchase items. Auctions will be continually added to the site.

To be able to Claim items for transfer or donation please go to
