

The ExecutiveMED Prescription Discount Card is available to all citizens of Summit County. If you do not have insurance, this card will save you dollars on all your prescription needs. And even if you already have a prescription card through your medical insurance plan, you can use this card for prescriptions not covered by your current carrier, saving dollars. For more information on this program, call toll free at 1-877-321-2652. To receive an ExecutiveMED Prescription Discount Card, contact the County of Summit Executive Office at 1-888-456-3932 (EXEC) or pick up a card at your local library or town hall.
