

District 8 Natural Resources Assistance Council - Clean Ohio Funding

Within the Department of Development, the Ohio Public Works Commission (OPWC) funds the Clean Ohio Program. The District 8 Natural Resources Assistance Council (NRAC) recommends projects for funding to the Ohio Public Works Commission through the Clean Ohio Program. The District 8 area covers only Summit County. For more information on the State Clean Ohio Program see the [Clean Ohio fund](#) website.

This Clean Ohio Green Space Conservation Program helps to fund preservation of open spaces, sensitive ecological areas and stream corridors. The members of the District 8 NRAC are: Dan Rice, Chairman; Lisa King, Vice-Chairman; Alan Brubaker; Chairman NRAC Technical Advisory Committee; John Moore; Mayor Dan Horrigan, Mayor Bobbie Beshara, Ana Burns, Dennis Stoiber, Richard Rebadow and William Funk. Projects are reviewed and evaluated locally by the District 8 NRAC, with the highest ranking projects recommended to the OPWC for funding.

****Clean Ohio Program Year 15****

We will have the new schedules approved and posted soon, thank you for your patience.

The timeline will still include the 60 day application period from when the new start date is announced to ensure applicants have enough time to assemble thier projects.

□ ****Important COVID-19 updates****

From the Ohio Public Works Commission:

July 15, 2020

To Our Customers,

We are pleased to announce that Governor DeWine has signed Am. S.B. 4. It includes one year's worth of capital appropriations for the Commission's programs fully funding Round 34 (projects selected this past year by District Integrating Committees, projects awaiting approval by the Small Government Commission, and \$3.5 million in Emergency dollars on a first come, first served basis), and a new Round 15 for Clean Ohio. We will soon be announcing activity on our District pages for new funding rounds for both infrastructure and Clean Ohio.

We thank the Ohio General Assembly and Governor DeWine for their collective work to fund Ohio Public Works' infrastructure and Clean Ohio programs. We cannot understate the importance of Ohio's communities critical infrastructure and the health of our natural environment.

Be safe, be well, and thank you for your understanding and patience.

Linda Bailiff, Director
