Clean Ohio Program Workshop Held November 3rd from 2 p.m. – 4 p.m.

The Summit County Natural Resource Assistance Council is holding a workshop to review recent changes and available funding for the Clean Ohio program. The Clean Ohio Fund restores, protects, and connects Ohio's important natural and urban places by preserving green space and farmland, improving outdoor recreation, and cleaning up brownfields to encourage redevelopment and revitalize communities.

The Summit County Department of Community and Economic Development is the liaison for District 8 Clean Ohio program which includes all of Summit County.

The workshop will be held on November 3, 2016, from 2 p.m. – 4 p.m., at the Cuyahoga Falls Natatorium, 2345 4th Street, Cuyahoga Falls, OH 44221.

There will be representatives from the State, County and the District 8 NRAC to answer questions about the 2017 funding cycle and case studies will be presented illustrating some of the successful projects from previous funding years.
