Akron Man to Spend Four Years in Prison for Burglary

(June 27, 2013... Akron) ... Summit County Prosecutor Sherri Bevan Walsh announced today that John H. Sharp, 22, of East Mildred Street in Akron, pleaded guilty to Burglary, a felony of the second degree, and Assault, a misdemeanor of the first degree.

One day in February, a 26-year-old North Hill woman discovered her front window broken when she arrived home from a friend's house. Her Xbox and her child's backpack were missing. Fingerprints on the broken window glass matched those of Sharp. The day before the break-in, Sharp got into an altercation with a teenage girl who was hanging out at the house.

Judge Tammy O'Brien immediately sentenced Sharp to four years in prison.
