(March 28, 2014... Akron) ... Summit County Prosecutor Sherri Bevan Walsh announced today that a jury found Glenn Wong, 51, of Abrams Drive in Twinsburg, guilty of two counts of Aggravated Murder; Murder; Kidnapping, a felony of the first degree; Felonious Assault, a felony of the second degree; and Domestic Violence, a misdemeanor of the first degree.

On the morning of February 24, 2013, Wong and his wife Tami got into a brief argument. He left their bedroom, walked past their two young children in the family room and into the kitchen, where he retrieved two large knives from the knife block. Wong then returned to his bedroom and stabbed Tami 103 times. The couple's 10-year-old daughter heard her mother screaming for help and called 911. When Twinsburg police arrived, they found Wong on top of Tami. She died en route to the Cleveland Clinic in Twinsburg.

Judge Paul Gallagher will sentence Wong at 9:00 a.m. on Friday, May 2.
